'58

We, the Senior Class of '58, dedicate this record of the past school year to the future senior classes of Norton High School. Only a memory remains of our good times, to be shared and relived by each one of you.

Journey with us through the seasons of the year, seeing again the activities and happenings of the 57-58 school year. Remember that special dance, or a terrific game? Here they are again--living on the pages of this book--for you.

ALMA MATER

When the sun bends low its radiance,
While the storm clouds roll,
Norton High, we'll always love you,
You inspire our soul.

Walking with a stride of honor
To the road ahead.
Norton High, we will salute you,
With our white and red.

Refrain:
Alma Mater, Alma Mater,
Sing from pole to pole,
Hear our song so clearly ringing
'Till we reach our goal.

Superintendent, Ralph C. Schlott

The first faces we saw when as Freshmen we entered Norton High School, and the faces of the graduation officials who gave us our coveted diplomas were those of the administration----the principal who gave us advice on our problems and reprimanded us when we did something wrong, the secretaries who take care of the business department, and the superintendent who runs the Norton Township schools from his office in our building.

During our four-year education, they gave us leadership and guidance as we went through the period of becoming young adults. It is only when we are about to leave and will receive their aid no longer, that gratitude, which was never expressed, is voiced. Thank you seems too ineloquent, but meant sincerely, as it is here, it says more than overflowing prose.

Cooks and Custodians

A very important, yet little recognized, part of our school are the custodians----the cooks and janitors.

We take this portion of our book to thank the janitors for keeping our building as new as it was when we first saw it, and the cooks for the adequate and nourishing food they prepare for us each day.

Cecil McEndree

Elmer Stough

Oh, those freshly polished floors!

Ah! A new sight!

School Daze

The beginning of school meant getting acquainted again. There was always the problem of newly-waxed floors.

The newest addition to the building was the water cooler --a place to meet and drink (and drink, drink, drink!)

At the sound of the noon bell, we scrambled to the half-mile lunch line. When we were about halfway through our dinner, munching furiously, the bell rang--HOME? --no, back to class.

Finally, we reached the end of our first day, loaded up our books, and headed home.

Will this line never end?

The '57 Metro football season saw one of Norton's most spirited, fighting teams in recent years. The boys certainly deserve recognition for their fine sportsmanship and for their true devotion to the game and their school--a devotion displayed throughout the season.

Senior members of the fighting squad were linemen Paul Burnley, Paul Struharik, Gary Griffin, Terry Koval, Larry Bowman, Jesse Hurst, and John Wise, with Jerry Schackow doing a fine job in the backfield.

The '57 team was surely one to be proud of and will be remembered for many years to come.

TAC

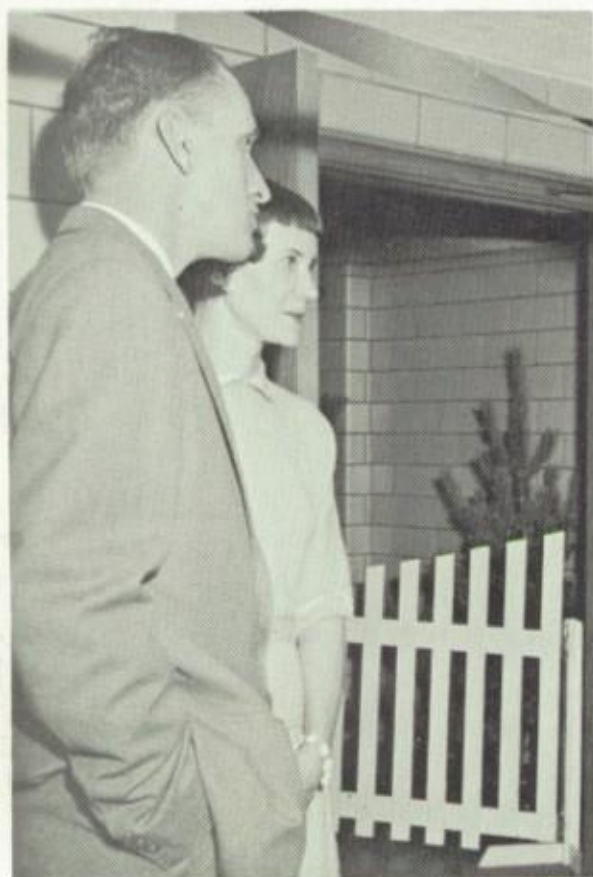

The favorite activity on Monday nights for all the kids in the Norton area was TAC.

All the top pops were played and there were games of ping-pong and checkers for anyone who didn't want to dance. TAC has become a very important part of the social life of Norton teen-agers. We wish to thank the adults and students who have managed the business affairs of TAC.

Of course we can't forget the people who have made it a real success -- the youth of the Norton area.

Frost Fantasy

Winter had come to Norton, and our most important social event of the season was the Christmas Formal--"Frost Fantasy." It is an annual dance sponsored by the Tri-Hi-Y Club.

Basketball

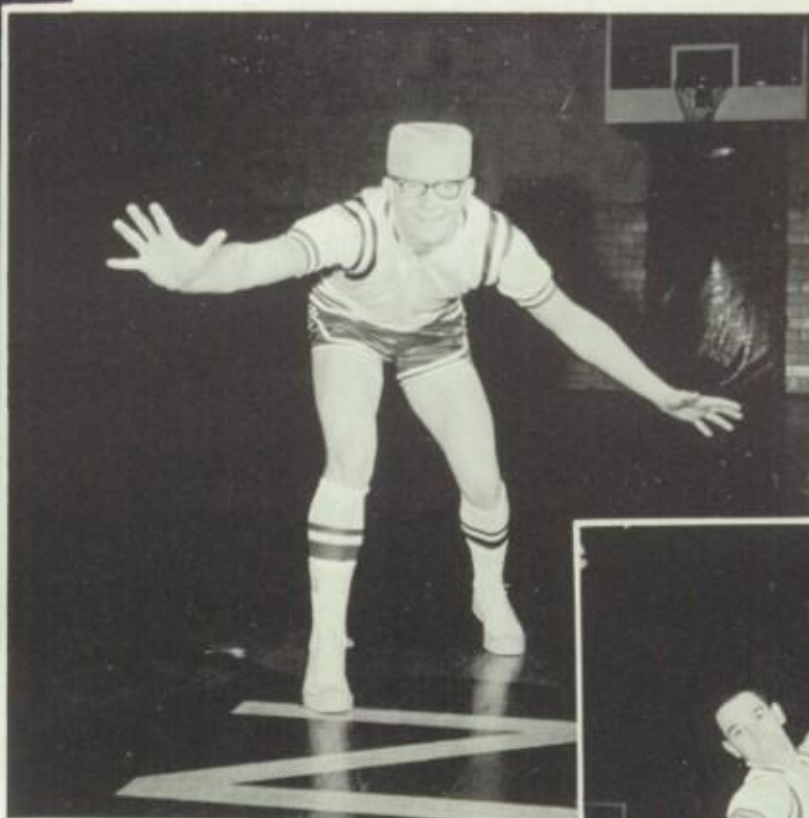

During the 1957-58 basketball season, Norton compiled a record of six wins and eleven losses. The Fighting Panthers, finishing in fifth place, had a Metropolitan League record of two wins and five losses. The disappointing record was due to bad luck on the road. Only one game was won away from home. In tournament play, Norton started well with a win over Revere, but they fell before Central.

Scotty Easterling was high-point man for the season, and Charlie Price had the best shooting average, hitting on 50% of his shots.

Norton High School's Music Department is known not only in our own school, but also throughout the community for its fine performances. The Department, composed of the Freshman Girls' Choir, Senior Choir, Boys' Glee Club, and Band, offers a wide variety of selections--from be-bop to Bach.

Norton's musicians all owe part of their success to our fine instructor, Mr. Arden J. Yockey. Mr. Yockey is responsible for such things as the selection of numbers and the scheduling of programs, two necessary items for the musicians' success.

The band is an integral part of the community and can be seen entertaining during half-time at all football games, marching in parades, and performing in concerts and assemblies.

The Senior Choir also performs throughout the community with a repertoire of fine selections. They perform in churches and entertain in assemblies and school concerts.

The Boys' Glee Club and the Freshman Girls' Choir do excellent work in supporting the Music Department in many of its programs and assemblies.

To the Music Department of Norton High School, a most laudable organization, we extend our praise and thanks.

Carol,

as a great person and a wonderful friend, who I have enjoyed very much being friends with. May we always stay friends and there is hoping that you have continued success at Norton.

Maybe you will better luck next year with your bag. Ha! Ha!

You have been one of the many girls at Norton who made me feel at home and not as a stranger. I know with a personality like yours you will never be without friends. Lots of luck in everything you do!

Always,
Joan, Hoover

P.S. a grateful friend.

To Carol -
one of my
very best friends
who I have respect for. Carol,
we have just gotten to
know each other well and
I'll never forget the times
we've had together. I wouldn't
trade these past two years for all
the other years in my life. I never
dreamed I could have such a dear
and sincere friend as you are. Always
be patient and listen to my problems.
You do and here's
best of luck in everything you do and
hoping we will always have a lasting friendship.

Carol,

You are a very sweet and charming person who possesses many gifts which make you endearing to others. You are very intelligent both in books and in common sense and you will probably get a lot farther in this old world than I ever will. Good luck always and it would help in your future if you don't change any.
